

Who Are We?

We are a small group of quilters and fibre artists who love fabric, colour, threads, beads and embellishments of all sorts. Our goals are:

- to promote traditional and contemporary quilting and fibre arts creation
- to encourage fine workmanship
- to experiment with new techniques and materials
- to exchange ideas and share learning amongst our members
- to encourage new work and the creative development of members
- to show our work collectively and promote its sale
- to make connections with other quilters and fibre artists in Canada and elsewhere
- to have fun!!!!

The guild embraces the creativity of its members and includes all sorts of fibre arts – fabric painting, dyeing, thread painting, fabric collage – while keeping the traditional aspects of quilting alive. Each of us brings different ideas, and that makes for an interesting and exciting group.

When and Where do We Meet?

We meet in the Craft Room of the Burlington Art Centre on Wednesday evenings at 7:30 p.m.

We hold a business meeting on the first Wednesday of the month. Program nights are usually on the third Wednesday. On the second and fourth Wednesdays, the room is available for members to get together casually to stitch and chat.

The Craft Room is also available to members on Monday afternoons if members wish to pin a quilt using the large tables or get together with other guild members.

Program Nights

Program Nights are a forum for members to see and learn about the work of other quilters and fibre artists and to experiment in a hands-on way with new techniques and materials. Program nights alternate between invited speakers and workshops.

Visitors are always welcome and program nights are a great way of introducing yourself to the guild.
